# Office Memorandum • UNITED STATES GOVERNMENT

TO : St/L/25X1A9a  
Attr. [REDACTED]

DATE: 1 January 1961

FROM : Chief 1/S  
Chief 2/CH

SUBJECT: Requirements OBR No. 9634

## Requirements (pertaining to the USSR)

1. Any information concerning the activities and functions of the newly-created State Committee for Questions of Labor and Wages.
2. What part is played by the All-Union Central Council of Trade Unions in planning and allocating manpower and in setting and revising the general wage structure? Is there any evidence that the role of the unions in planning is decisive or important in any real sense?
3. Does the Main Administration for Labor Reserves, attached to the Council of Ministers, participate in any way in the over-all planning of manpower allocation and training?
4. Any information concerning any recent changes in the laws relating to job-changing by employees and the extent to which such laws are carried out in actual practice by the individual enterprises.
5. Any information concerning changes being made (or contemplated) by the government in the general wage structure, including: methods of wage payment, wage revision, revision of the piece rate system, changes in regulations governing payment of bonuses, etc.
